FELL FROM A TRAIN.

Late yesterday evening a report was circulated that Mayor F. J. Paff had fallen from an electric train on Cameron street and received serious injuries. The rumor had been sent by telephone to the station house and from that point had been circulated to other sections of the city. Upon inquiry at the mayor's residence it was learned that he had not been the victim of an accident. An old and well-known Alexandrian, however, had fallen while stepping from an electric train at Cameron and Payne streets.

Mr. John Lawler, a carpenter, residing at 535 south Fairfax street, was the victim.

Shortly after 5 o'clock he fell from a moving train and was painfully injured. He was conveyed to the residence of his son, Mr. Edward F. Lawler, 111 north Payne street. Dr. Wm. M. Smith was summoned, and on examination ascertained that Mr. Lawler had broken his collar bone and had received several contusions on the head and face and was badly bruised about the body. His injuries are not regarded as serious.

WOMEN IN A FIGHT.

Ethel Brown, Hazel Daw, Effie Hughes and Ray Moore were arrested last night by Officers Young, Garvey, Rawlett and Arrington charged with engaging in a general fight in a house on North Lee street. Ray Moore left collateral for her appearance this morning, but a return of non est inventus was entered in her case when it was called in the Police Court. Ethel Brown had a cut head, and asserted that she had been struck with a beer bottle, wielded by one of the women. It was stated, however, that her injury was caused by falling on broken glasses. It was also asserted that the woman was armed with a hairpin which was shown in court. The cause of the fight could not be ascertained, although it developed that the four women in company with two young Alexandrians had left one house and entered another in which the "mix-up" occurred. Scratching and hairpulling seemed to have been in evidence. The three women were fined \$10 each.

UNDUE EXCITEMENT.

Between the hours of 9 and 10 o'clock last night one who happened in the neighborhood of King and Royal streets would have thought that either a murder had been committed or a conflagration out of the ordinary was taking place, judging from the number of people gathered there. Representatives of the police department, drug clerks, barkeepers, bank watchmen, and, in fact, those from a dry goods salesman and auctioneer to a bootblack were on hand to witness what was supposed to be a fire, all of which was caused by the watchmen at the Alexandria National Bank burning some waste paper in the furnace of that institution. The chief engineer, Geo. W. Pettit, went through the building and after satisfying the assemblage that there was no damage the crowd dispersed.

BIRTHDAY PARTY.

Mrs. Mary Candler, wife of Warden William E. Candler, handsomely entertained her many friends last night at her home on north St. Asaph street. More than fifty of her friends assembled to partake of a bountiful repast, and as a conclusion to the evening entertainment, two barrels of select Norfolk crabs were partaken of. It was after midnight before the guests departed. The Alexandria Mandolin Club furnished music during the evening. Many friends attended from Washington.

A great many people visited the motion pictures at the Alexandria Amusement Company's hall last night and pronounced the show excellent. Tonight the new reel to be presented is extra funny and very interesting. The charming solos of Miss Fisher is alone worth the price of admission.

NO CUT IN WAGES.

The Southern Railway Company has announced that the resumption of negotiations looking to a reduction in wages of employees of the Southern Railway outside of Washington has been postponed from July 1 until October 1 next. The 10 per cent. reduction in salaries of officers and employees of the road in the offices in Washington will be applied after July 1 next. Reduction, however, will continue as to the salaries of the president and vice-president of the road.

The negotiations were heretofore suspended from April 1 until July 1, and the negotiations involve the Southern and affiliated lines. President Finley, of the Southern Railway Company, yesterday made the following statement:

"In view of the demonstrated greater efficiency of labor and its resulting benefits to the companies, and in the hope and with some expectation that the present business conditions may show an improvement, an understanding being reached through Martin A. Knapp and Charles P. Neill, the mediators under the Erdmann act, with all classes of employees that were parties to the settlement of April 1, 1908, to the effect that negotiations temporarily suspended as of April 1, 1908, shall be further postponed until October 1 next, at which time such negotiations may be resumed at the option of the companies through the mediators under the Erdmann act."

MASONIC NOTES.

At the meeting last Thursday night of Alexandria-Washington Lodge of Masons Part Master L. Ruben presented the lodge with 25 colonial notes. They had been printed in Maryland, Virginia, North Carolina, Pennsylvania and other places. One of the notes, which had been issued in Pennsylvania, was printed by Benjamin Franklin. The notes will be placed among the lodge relics.

At a meeting last night of the temple building committee of Alexandria-Washington Lodge it was decided to hold a bazaar in the fall.

POLICE COURT.

[Justice H. B. Oaten presiding.]

The following cases were disposed of this morning:

Ethel Brown, Hazel Daw and Effie Hughes, charged with disorderly conduct and fighting, were fined \$10 each. Ray Moore, charged with similar offenses, forfeited her collateral by failing to appear.

Arthur Mankin, charged with being drunk in the street, was fined \$5.

Robert Holland, charged with a similar offense, was fined \$5.

CHANGE IN SCHEDULE.

Commencing today steamers of the Maryland, Delaware and Virginia Railway Company will make their three weekly trips between Baltimore, river landings, Alexandria and Washington as follows: Leave Baltimore at 5 p. m. every Monday, Wednesday and Saturday. Leave Washington at 4 p. m. and Alexandria at 4:30 p. m. every Monday, Wednesday and Saturday.

WILL Suspend ACTION.

The United States attorney for the District of Columbia has been directed to suspend further action with regard to the injunction proceedings against the Washington, Alexandria and Mount Vernon Railway Company for operating an overhead trolley north of Highway Bridge in violation of law, and it is probable nothing will be done in the matter until Congress convenes.

The remains of John W. Cooper, who died at the Braddock House Thursday night were forwarded to Washington, and the funeral took place from A. G. Frey's undertaking establishment, 1830 Fourteenth street, northwest, this afternoon. Pentapolis Lodge, No. 32, F. A. M., of which the deceased had been a member, attended the funeral in a body.

THE SABBATH QUESTION.

"Does Alexandria want a Sabbath Rest?" will be the subject of Rev. Joseph R. Sevier's discourse in the Second Presbyterian church tomorrow night at 8 o'clock. The widespread interest in this question and its bearing on the physical, moral and mental welfare of the city, it is claimed, demands for it the serious consideration of all.
